

HOW TO BORROW

Before initiating a borrowing request, first visit the listings page

<https://www.silverbullion.com.sg/LoanListing.aspx> and check if you find a lending offer whose terms you are comfortable to agree on. These offers are on the right hand section of the page:

The screenshot displays two columns of information. The left column shows '12 Month Borrowing Requests' for SGD and USD, and the right column shows '12 Month Lending Offers' for SGD and USD. A green circle highlights the lending offers section.

If you do not find any lending offers which you can agree on, create a borrowing request by following the steps below.

Important: funds are disbursed every 1st, 8th, 15th, 22nd of the month. You must have STAR storage parcels valued at least SGD 6,000 or USD 6,000, depending if you wish borrow in a specific currency. The minimum amount you can borrow in either currency is 3,000 dollars. Your holdings (parcels) will serve as collateral. Take note that Silver Bullion (SB) is not a lending institution. SB's role is that of a custodian of our bullion-secured P2P (peer-to-peer) lending program. You will be borrowing money from other SB customers/lenders.

1. Go to www.silverbullion.com.sg

2. Log in to your SB account by clicking on 'SIGN UP / LOG IN'

“Loan Duration” (one month, six months, 12 months, or 24 months)

“Offered Interest” (1% - 6% per annum, adjustable by 25 basis points or 0.25%)

“Requested Amt” - input the amount you intend to borrow (minimum is 3,000 dollars in either SGD or USD).
